**Subject:** CALIFORNIA PUBLIC RECORDS ACT REQUEST

Dear Sharon Papa ,

I am requesting all personnel documents and disciplinary records between Jan. 1, 2014, and Jan. 1, 2019, including but not limited to internal investigations, for Hermosa Beach Police Department officers or deputies involved in:

- discharge of a firearm or incidents resulting in great bodily injury or death.
- sustained sexual assault.
- sustained findings of dishonesty.

I make this request pursuant to the California Public Records Act and state Senate Bill 1421. If you determine that any part of the request is exempt, please cite in writing the provision or court rulings that exempt the material.

Please provide the records electronically, as they become available. If the information is part of a database, please provide the entire database. If you have any questions please contact me by email [tsaavedra@scng.com](mailto:tsaavedra@scng.com) or telephone at (714) 796-6930. Please respond to confirm receipt of this email.

As you know, the California Public Records Act provides that you help us present our request in a way that will be successful.

Regards,
